

SCHOOL BREAKFAST & LUNCH IS AVAILABLE TO ALL STUDENTS AT NO CHARGE!

No Applications Needed!

Our district is committed to providing every student with the tools they need to succeed, including nutritious meals they can enjoy. This year, we have been approved for the Community Eligibility Provision, a meal program option offered by the United States Agricultural Department (USDA) that allows us to serve school breakfast and lunch at no charge to all enrolled students, regardless of financial condition.

Everyone Benefits!

- All students have access to nutritious school meals
- Families save money and don't have to complete school meal applications
- Schools cut down administrative burdens and associated costs
- Cafeterias have improved speed of service and overall increased participation

Help us ensure our meal program is a success! Remind and encourage your child to take advantage of this opportunity and grab a school breakfast and lunch every single school day.
